

Nevada South Youth Soccer League Fall 2023 Information

Hello Coach, Managers, and Players,

Nevada South hopes you had successful try-outs, and a great start to your summer. We would like you to have some information about the upcoming "Fall 2023" season.

We tried some new ideas last year but feel that we've had better years in the past.

Along with others, this was the first year we used the Gotsport program, and there was a definite learning curve to that. Moving forward, we would like you know we will have some new, but also some of the old "tried and true" ways of running things this upcoming season.

Fall League Play and Price:

1. We will be having eight (8) games for the season. These games will be part of a League Championship and Play-off in each division. (Gold, Silver, and Bronze). Rules of play will be posted on our website. All play-offs will be age pure, unless a team requests to play a year older.
2. We will offer a GIRL'S division in any age group that has at least four (4) or more girl's teams with a similar competitive level (Gold, Silver, Bronze) registered. League Playoffs will be held for Girls also, if there are at least 4 teams in the same age group and division.
3. Coaches and/or Managers will be able scan the code on game card and enter their own scores. That way scores are updated immediately. The scores will be confirmed by the signed original game card from the referees.
4. Nevada South is offering a "Loyalty Discount" to any team that played with us in the 22/23 seasonal year and is returning in the 23/24 year.
Once the team is completely registered by the deadline, with players and Coaches, the team will be given a **15%** credit off the total price.
U8 and below is \$90.00 – 15% = \$76.50 per player. U9 and above is \$130.00 – 15% = \$110.50 per player.
THESE FEES INCLUDE REFEREE FEES.
5. Any new team or teams that didn't play with us, will be given one (1) free player if registered in full with Coaches by the deadline.
6. Any State Cup Champion team that also plays a minimum of eight (8) games with Nevada South Youth Soccer League will receive financial help with their trip to Regionals. Amount to be determined.

Important Dates:

1. **August 14th**: Registration deadline. Coaches, Players on complete rosters and all Fees must be turned in.
2. **August 14th**: Schedule requests are due. Only 3 teams max per Coach, will be separated. Make sure you have an approved Assistant Coach or Manager available. All exception dates must be turned in. Once the schedule is completed, we will not be re-scheduling and since these games are play-off games, it will count towards your points.
3. **August 31st**, Schedule will be finished and posted.
4. **September 9th**, Games start.

Referees

1. Our assignor will be giving additional training to referees prior to the season starting.
2. We will also have a place to upload your player passes when your team is complete, this will be a way of knowing who is on each team and making sure those are the players playing.
3. All rules for all age groups will be given to the Referees in writing and posted on our website.
4. We will have referee evaluation forms on our website for Coaches and/or Managers to fill out with constructive evaluations.
