

Hello Coaches and/or Managers,

- 1). Intra-club players **must currently be registered with** United States Youth Soccer and within the same club as the team that they are playing with.
- 2). Independent teams may play an intra-club player who is currently registered with United States Youth Soccer and another independent team.
- 3). Intra-club players may not play for a team younger than they are eligible for.

4).

A team may use an intra-club player **ONLY** if they have **twelve** or fewer players available for that game.

(U13 through U19 teams)

A team may use an intra-club player **ONLY** if they have **ten** or fewer players available for that game.

(U11 through U12 teams)

A team may use an intra-club player **ONLY** if they have **eight** or fewer players available for that game.

(U9 through U10 teams)

A team may use an intra-club player **ONLY** if they have **five** or fewer players available for that game.

(U4 through U8 teams)

The borrowed player MUST be WRITTEN on the roster and noted as an INTRA CLUB PLAYER or ICP for short.

5).

U13-U19: A maximum of four intra-club players can be used for any one game (not exceeding 14 players on roster).

U11-U12: A maximum of 3 intra-club players can be used for any one game (not exceeding 13 players on the roster).

U9-U10: A maximum of 3 intra-club players can be used for any one game (not exceeding 11 players of the roster).

- 6). The team borrowing the intra-club player **MUST** write ICP next to the player's name on the roster and **MUST** present the player's pass to the referee prior to the game.

All games played with an intra-club player(s) are considered "official" and will be recorded as follows:

- 1). If one team uses intra club player(s) the game shall be recorded as 1-0 loss for the team using ICP'S
- 2). If both teams use intra-club player(s) the game shall be recorded as 0-0 tie.
