

CHECKING YOUR TEAM IN PRIOR TO EACH GAME

Prior to all of your games please take your team to the appropriate location / field marshal to check in your team.

For Bettye Wilson Main complex:

If you are playing on Field # 1 A, B, C, or 2 A, B, C, please take your team to station #1 on the field map with player passes to check in.

If you are playing on Field # 3, 4, 7, 8, please take your team to station #2 on the field map with player passes to check in.

If you are playing on Field #5, 6, 9, or 10 please take your team to station #3 on the field map with player passes to check in.

For Kellogg Zaher complex:

There is only one station located to the North of Field #9 on the field map.

Please take your team to that station with player passes to check in.

REMEMBER: pick up your player passes from the field marshal after your game.
