

Nevada South Youth Soccer League 2024 Fall Registration

Hello Coaches and Managers !

We hope you had successful try-outs, and are anxious to get back on the field for Fall.

Our 2024 Fall team registration is now opened. Please sign up your team, or have your Administrator register as soon as possible.

You spoke- we listened. We have some new ideas for this upcoming season, in hopes your experience will be even better.

Nevada South will again have League Championships in each division in age groups U9 and above.

We will have 8 regular games for all teams with the top 4 teams playing a semi and a final on the 9th scheduled game. In order to accomplish this we do need to start a little earlier than usual. Which means the deadline will be a little earlier also.

Game cards will have pictures of the players face ON the game cards with players name. You will still need to have passes of your rostered players with you.

CP's (Club players) are players that a team may borrow to add to the roster and can be done online. Their pictures will be included with the team print out on the game card. Maximum 3. Additional rules will follow.

Each team will have someone from their team, check-in the opposing team, using the game card. Then provide the Referee with the game card, for scoring purposes. More information on this will follow.

The winning team will have the capability to enter the score right after the game. In the case of a tie we are asking that the home team enter the score, this way you do not have to wait for scores to be turned into the office.

Again, we will be sending out further detailed information on these new ideas, in the meantime here is some information to get you started.

Registration

All teams will need to register in two places. One will be with the Nevada Youth Soccer Association 24/25 State Registration, so that you will be able to obtain your passes. Pictures must be clear and of the face only. We are using this as our "source event". Then you will register with Nevada South Youth Soccer League Fall 2024 event, for scheduling of games.
