

## Schedules

Games will start August 24<sup>th</sup>.

Your team will receive eight (8 games) Teams that qualify for the Championship will get 9 games.

Potential game days: August 24<sup>th</sup>, September 7<sup>th</sup>, September 14<sup>th</sup>, September 21<sup>st</sup>, September 28<sup>th</sup>, October 12<sup>th</sup>, October 19<sup>th</sup>, November 2<sup>nd</sup> (I believe LaCrosse has Kellogg Zaher this day) If that happens those games would be played November 9<sup>th</sup>) the FINALS for the top 4 teams would be November 23<sup>rd</sup>.

We will try to have the complete schedule one week before August 24<sup>th</sup>. However, if there are numerous teams coming in late, we may only be able to produce a one game schedule, with the remainder of the games posted after Labor Day. Please make sure to register and pay for your team by August 1st.

Schedules for 220 + teams have become quite difficult, almost everyone has schedule requests. We don't just throw the teams into the schedule and hope for the best, I actually make note of all the requests and hand make the schedule – that is why it takes a lot longer to produce, than say, a tournament schedule.

Nevada South will need the following information by August 5<sup>th</sup>, in order to give you the best schedule possible.

### Here are some guidelines:

#### What we most likely can do:

If you are playing State League in order to qualify for State Cup, we will try to schedule your games after your State League game. You would need to let us know by the schedule request deadline if you are playing State League.

We will try to separate up to three (3) teams so that you can make at least 3 games that you Coach.

If you indicate to us, what date that you will be out of town for a tournament/other event, we will try to set up your game on a night.

This should be in advance of the schedule coming out.

If given a 48 hour notice, we can re-schedule your game if your team is U8 or younger.

There is not a championship in these age groups

#### What we most likely cannot do because some fields are permitted earlier than others:

Is give you certain times of the day to play games. For Coaches that work on Saturdays please note what time you are available and let us know your request is because of your work schedule.

We can try to give you back to back games. HOWEVER, we can't guarantee this, sometimes it depends on the team your playing and what their schedule request is.

If you are traveling from quite a distance ex: Henderson, far SE or SW area I will do my best – again, please let us know this in your request.

We cannot re-schedule games in U9 and older as there are Championship stats for each division. A forfeit will be given if you can't play.

(Usually turf fields open at 8:00 am, and after November 1<sup>st</sup>, grass fields do not open until 10:00 am).
